NOTICE TO PATIENTS

.....
State law, A.R.S. §32-1401(26)(ff), requires that a physician notify a patient that the physician has a direct financial interest in a separate diagnostic or treatment agency to which the physician is referring the patient and/or in the non-routine goods or services being prescribed by the physician, and whether these are available elsewhere on a competitive basis. We support this law, because it helps patients make reasoned financial decisions concerning their medical care.
